Prepaid Cards

When new or prospective members need prepaid debit cards, turn to Envisant to deliver quality products. We're the top provider of prepaid services to credit unions nationwide. Envisant offers low-cost, no-liability programs and is CUNA Strategic Services' premier provider. Our turnkey solutions include branded and non-branded instant-issue and reloadable cards along with customizable programs.

CUMONEY® Visa® prepaid cards help you attract or retain members with minimal operational impact. Each card is easy to start up and administer.

Instant-issued CUMONEY® Visa® Gift Cards (Virtual and Plastic)

These gift cards offer a much sought-after option for gift-giving, provide more flexibility than store-branded cards, and are safer than cash. With many gallery choices available, your members can choose just the right card for every occasion.

- Members purchase cards at your credit union or online
- Includes zero liability protection
- Contemporary styles fit each occasion and recipient
- Each card comes with a 7-year expiration date from date of order
- Accepted worldwide, including in-store, online and by phone

CUMONEY® Visa® Everyday Spend Reloadable Card (Virtual and Plastic)

This general purchase card helps members stay in control of their budgets to reach their financial goals. It's the perfect solution for members looking for a flexible payment option not linked to a checking account.

The CUMONEY® Visa® Everyday Spend Card is easily reloadable any time from a member's credit union account via an internet account management site, direct deposit, or at your credit union.

- A safer alternative to cash—not tied to your member's checking or savings account
- Enables you to offer card services with no fraud exposure
- Zero liability protection
- Accepted nationwide, including in-store, online, and by phone
- Provides ATM access with multiple surcharge-free options
- Cards are personalized with member's name and automatically reissued upon expiration
- Free alerts and text messages help members manage their funds
